SCHEME OF EVALUATION & GRADING

Evaluation of student's performance in each course unit has two components:
 (a) Internal continuous assessment and (b) The end-term examinations which are held at the end of Semester Academic Year.
 The Level of student's academic performance is the aggregate of internal continuous assessment and end term examination is reflected by letter grades on a ten point scale according to the connotations given below:

In case of School of Health Sciences			In case of University Polytechnic			In case of Courses Under SoA and LLM Course
